

BMW Raffle Comes to PNA!

Dear PNA-ers!

Remember the 'gap' between the price of tuition and the cost of education? It's a 'gap' of about \$6,200 per student with our current enrollment! PNA engineers three major events to help spread that load by inviting our extended PNA family to participate in fun, fabulous ways. So far we've put on a hugely successful Taste of Fall, are in the midst of our Annual Campaign, and are on track for having an amazing Auction. We have added a FOURTH opportunity for you to fill the 'gap' without having to dip into your own pocket....

BMW
Raffle

'09 BMW 128i Coupe

Heated Steering Wheel
Xenon Headlights
Heated Seats
Moon Roof
iPod Adapter

The PNA Board of Trustees has pledged to sell at least 20 tickets per member.

We are asking each family to sell at least 5 – and more if you can.

Things to know and to help you sell raffle tickets:

1. There are 1,000 tickets available, and NO MORE.
2. Tickets are \$100 a piece.
3. Tickets will be on sale and available for signing out beginning Tuesday, December 15th.
4. Tickets can be sold to friends and family, including those out of state.
5. The Winning Ticket will be drawn at the "Dream a Bigger Dream" Auction, February 20th, 2010. Only one ticket will be drawn, the winner does not have to be present.

And lastly.....

6. Board member Jason Harmon, who has been working on this prodigious project all year, has offered the community a challenge: a \$1,000 prize to the family that returns the most sold tickets by February 17th!

Please check out the calendar in the entrance hallway for the BMW schedule.
